

Cannot forget

So wok lim

You will remember, 'cause you cannot forget.
And let a lifetime pass as it is, as it is.
Someday you will forget.
Cannot forget.
Cannot forget.

You will remember, 'cause you cannot forget.
And let the seasons flow as it is, as it is.
You will forget some if not all.
Cannot forget.
Cannot forget.

When love makes me remember,
how shall I ever forget?
