

# Seasand

Ewout van Roon

Quick silver seasand among my feets.  
Eternal sounds of waves ashore.  
Quick silver seasand among my feets.  
Eternal sounds of waves ashore.  
Golden mirror of the sea,  
lighting up my body and soul.  
Sorrows and worries vanish in clear sky,  
solves in that fresh and salty air.  
Totally peace with myself and the earth on  
which I walk on this day.  
Follow your steps and feel the sea.  
Look to the colours around you.  
Quick silver sand, sounds, sea  
and waves for the soul.  
Quick silver sand, sounds, sea  
and waves for the soul.
