

## ***Tonight***

*Ewout van Roon*

I long for my lover, I long for my gay.  
He is nice and gentle, so good looking too.  
I want him so badly, but he is too busy.  
I'm getting so angry, because he's not with me.

*Tonight I'll seduce him, tonight I'll succeed,  
Tonight it will happen, tonight, tonight.*

His voice touches deeply, his moves are so strong.  
His hands are like fire, burn inside me.  
Last time I saw him, he only was talking.  
Even I looked lov'ly, he only was talking.

*Tonight I'll seduce him, tonight I'll succeed,  
Tonight it will happen, tonight, tonight.*

I plan a nice dinner, I'll give him red wine.  
Now it's the right time, soon he will be mine.  
I'm going to see him, I'm going to feel him.  
I'm going to kiss him, I'm going to love him.

*Tonight I'll seduce him, tonight I'll succeed,  
Tonight it will happen, tonight, tonight.*
